## PowaKaddy launches new Freeway Digital trolley

Friday, 2 March 2012 | Michael Weston | [0 Comments](#)

[PowaKaddy](#) has announced the launch of its new **PowaKaddy Freeway Digital** golf trolley.

The new **PowaKaddy Freeway Digital**, with a RRP of **£349.99**, combines easy-to-use functionality, quality engineering and modern oversized styling.

PowaKaddy's new **Freeway Digital**, which goes on sale in stores in March, has a number of features, most notably the soft-touch ambidextrous digital 'T' bar handle complete with a built-in responsive 9-speed control roller, a fully-integrated LED display screen, and an electronic digital distance function.

The lightweight and robust frame takes its inspiration from the state-of-the-art [PowaKaddy PK SPORT](#), the oversized frame combining with sporty, low profile five-spoke wide wheels to complete the new modern look.

In addition, the whisper-quiet motor ensures that the **PowaKaddy Freeway Digital** is not only visually stunning, but is also constructed to the highest possible specifications delivering outstanding performance.

For further information on the new **PowaKaddy Freeway Digital**, including details of all its new features, visit [powakaddy.com](http://powakaddy.com)

[Golf Monthly](#) will have more on the new **PowaKaddy Freeway Digital** in a future issue.
